

13th International Health Dialogue 2026

**Global Voices.
One Vision.**

 30–31 January 2026  HICC Novotel, Hyderabad, India

IPSC - HOPE - THIT - CLINOVATE

Apollo Hospitals Group presents the **13th International Health Dialogue (IHD)**

- Asia's largest & most influential healthcare conference dedicated to patient safety & healthcare transformation.

In 2026, IHD will bring together:

- International Patient Safety Conference (IPSC) – 13th Edition
- Healthcare Operations & Patient Experience Forum (HOPE) – 2nd Edition
- Transforming Healthcare with IT (THIT) – 13th Edition
- Inaugural session of Clinical Innovation and Excellence (CLINOVATE) – 1st Edition focusing on advancing clinical leadership and innovation across four targeted specialties:

 Women's Health

 Heart

 Oncology

 Lab Medicine

Each specialty will be explored ensuring forward-looking strategies, cutting-edge science, and real-world clinical impact

Expected Participation:

3000+ delegates

400+ experts from **30+** countries

Who Should Attend?

- Hospital leadership & administrators
- Quality & patient safety leaders
- Doctors, nurses & allied health professionals
- Operations, service excellence, frontline professionals
- IT & digital health innovators
- Public health officials & policymakers
- Healthcare entrepreneurs & start-ups
- Academic & research institutions

Key Takeaways

- Global best practices in patient safety & quality care
- Exposure to cutting-edge healthcare technology
- Networking with 3000+ professionals & thought leaders
- Insights into operational & clinical excellence
- Opportunities to showcase your work through papers, posters, & competitions
- Participate & win awards / safe-a-thon etc.

Conference Highlights

- **Stellar Speaker Line-up**
National & international experts
- **Engaging Formats**
Keynotes, panels, debates, roundtables, workshops
- **Innovation Zone**
Latest healthcare solutions & smart hospital technologies
- **Global Networking**
Engage with healthcare leaders, innovators, and policymakers

Safe-a-thon 2026

A collaborative, solution-building competition where multidisciplinary teams create real-world, implementable innovations to address patient safety challenges.

Teams may include doctors, nurses, quality professionals, IT experts, management staff, & mentors.

Judged on feasibility, impact potential, scalability, and cost-effectiveness.

Top 3 teams will present at the main conference & receive prizes.
